

Good day!

We are students from BSIT 3B - Java and we are currently conducting research on the topic "**Online Learning Management System**". We prepared this questionnaire to collect the data necessary for our study entitled "ParseIT: Parsers Learning Hub". We kindly and respectfully request your honest responses to the following questions. Please be assured that all the information you provide will be kept strictly confidential. Your cooperation and time are greatly appreciated. Thank you very much!

Proponents:

JOHN LYNDON V. ANUADA,
STEPHANIE JANE P. LAGOY,
RAQUEL R. BASILISCO,
HANNE MARIE C. ABELLO,
EZRA CYRIL T. ALBACITE

Name (Optional):

Year Level: ☐ 1st Year ☐ 2nd Year ☐ 3rd Year ☐ 4th Year

I. Assignment Access and Submission

1. How do you communicate with your teachers about your assignments?

☐ Messenger ☐ In-person ☐ Other: _____

2. Have you ever received assignments from your teachers via Messenger and then been asked to submit them on Google Classroom?

☐ Yes ☐ No

3. If yes, did you find it confusing/inconvenient to receive assignments via Messenger and then submit them on Google Classroom?

☐ Yes ☐ No

4. Have you ever missed an assignment because your teacher didn't announce it in-person or Messenger, and instead only uploaded it to Google Classroom?

☐ Yes ☐ No

5. Do you find it inconvenient having to use two separate applications (Messenger and Google Classroom) to submit assignments?

☐ Yes ☐ No

6. Do you believe that combining the functionality of Messenger with features similar to Google Classroom, such as assignment repositories, would be beneficial to you?

☐ Yes ☐ No

II. Class Announcement

1. How do your teachers or class mayors typically announce important information or updates?

☐ Messenger ☐ In-person ☐ Other: _____

2. When using Messenger, have you ever missed an important announcement because the announcement was followed up by other chats conversation?

☐Yes ☐No

3. Do you think it would be beneficial to have a dedicated section within an app similar to Messenger where all announcements are visible and with the latest announcement pinned to the top of the chat conversation?

☐Yes ☐No

III. Direct and Private Chats

1. How do you communicate with your teachers for your personal questions?

☐Messenger ☐In-person ☐Other: _____

2. When using Messenger, do you send your question to the subject-intended group chat?

☐Yes ☐No

3. If No, do you send your question to your teacher via private message?

☐Yes ☐No

4. If yes, under what circumstances why you choose to send your question privately to your teacher instead to the subject-intended group chat?

5. When using Messenger, do you find it inconvenient to have multiple chat conversation related for one subject?

☐Yes ☐No

Whisper System

Whisper is a feature in ParseIT that enables you to send a private message to your subject teacher within a group chat, without other members in the chat being aware of your conversation. This helps keep your chat conversations organized and ensures privacy.

6. Do you believe that having a Whisper system would be beneficial to you?

☐Yes ☐No ☐Maybe

Grouping

Grouping is a feature in ParseIT that allows participants to create sub-group chats within a subject-intended chat, restricting access to only designated members and preventing others from joining.

6. Do you think that Grouping system will be beneficial to you?

☐Yes ☐No ☐Maybe
